

November 2019

Plans are now underway for our 2020 Breaux Bridge Crawfish Festival® which will be held May 1, 2 and 3, 2020. We are excited to offer you an opportunity to participate in our sponsorship program. We hope we will be able to include you in our plans for the festival.

The Crawfish Festival began in 1960 as a spin-off after the success of the 1959's 100<sup>th</sup> anniversary of the incorporation of Breaux Bridge as a city. The Breaux Bridge Crawfish Festival is one of the oldest, most well known festivals in Louisiana. This is a unique opportunity to join in the tradition of what Louisiana is known for: CRAWFISH AND MUSIC!

Giving back to our community is our number one mission. Over the years the Breaux Bridge Crawfish Festival Association has been instrumental in bringing positive changes to the City of Breaux Bridge and St. Martin Parish. Other civic organizations, schools, athletic organizations and civic improvements all look to the BBCFA for funding. Available for your review is a list of donations that we have given to the community over the years. By helping the Breaux Bridge Crawfish Festival, you are literally helping thousands live a better life.

The Breaux Bridge Crawfish Festival Association's commitment to the community is an all year endeavor. We shop at the local grocery stores, gift shops, restaurants and businesses. We also promote the City of Breaux Bridge and St. Martin Parish all year long via our website, phone call inquiries, and all media who showcase our festival. As everyone knows, on festival weekend all hotels, B&B's and campgrounds are filled to capacity from Baton Rouge to Jennings. These visitors spend their money at gas stations, restaurants, shops, grocery stores and many other places. The BBCFA creates a tremendous economic impact on the surrounding area.

The Breaux Bridge Crawfish Festival has been awarded FESTIVAL OF THE YEAR in Division II (festivals with attendance of 25,001 – 50,000) by the Louisiana Association of Fairs and Festivals at its annual convention 10 times over the past 13 years. It is an honor to be recognized by your peers, and it is an award we proudly share with everyone involved in our organization and our community.

We hope that with your partnership we can continue to be a vital instrument to everyone who relies on our funding for their projects, and offer you the unique opportunity to be a part of that contribution, and to advertise to the thousands of visitors who make the annual pilgrimage to the World Famous Breaux Bridge Crawfish Festival™.

Please review the enclosed proposal and contact us to discuss the options you may be interested in. If you have any questions, please do not hesitate to call us or email us at [info@bbcrawfest.com](mailto:info@bbcrawfest.com). We look forward to working with you and hope to see you during Festival Time!

Sincerely,

Craig Olivier
